

BNC HDTV Crimp Plug For RG11 Coax Cable
Part number: 305-824

Electrical Specification

Impedance:	50
Frequency:	0-2Ghz
Dielectric W/V:	TBC
Insulation res:	TBC

Mechanical Specification

Centre contact retention Axial Force:	10N Min
Cable Retention:	200N Min
Mating cycles:	500

Environmental Specification

Operating Temp:	TBC
